

Welcome to the **34th Annual WesterFlora Garden Tour**. Our theme this year is:  
**"The Spirit of WesterFlora"**

You will see eight wonderful and diverse gardens in our beautiful city.

The **WesterFlora** Garden tour has received several First Place Awards from the Garden Club of Ohio, Inc. for our Landscape Design Event. The tour also received a First Place National Award from Garden Club of America in 2018. Members of the **WesterFlora** Committee select gardens for the tour from the entries received that best represent landscape uniqueness, healthy and diverse horticulture and artistic presentation. The gardens our residents create never fail to impress.

Our tours began in 1992, the year the **AmeriFlora International Flower Show** was held in Columbus. Westerville and other communities throughout Central Ohio spruced up their landscapes and conducted local gardening contests and tours in conjunction with **AmeriFlora**. Some lasted for a few years, but only Westerville's **WesterFlora** continues to this day.

We thank and appreciate the hard work and the generosity of these property owners for opening their gardens, so that others in our community may enjoy and learn from their talented and creative endeavors. Enjoy!!

The Hanby House Kitchen Garden is celebrating its 20<sup>th</sup> year. The garden represents plantings for food and medicinal needs back in the 1850-1900's. Please stop by to look back in time and meet some of the Westerville Garden Club members that help maintain the historic representation. The Hanby House, a historic underground railway stop, will be open for short free tours. Restrooms and water are available at this stop.

---

We would like to thank all the participating artists and Entertainers for the donation of their time, talents, and beautiful work. We believe they enhance the garden tour experience.
